SurgiStrip skin closures allow earlier post-operative suture or staple removal to assist natural healing and minimize scarring. A painless alternative for the closure of minor incisions, and for skin lacerations, enabling fast and easy application, with no need for anaesthetic, eliminating needle puncture marks.

MEDICAL GRADE ADHESIVE

Holds firmly in place, despite skin movement

BREATHABLE

Porous non-woven material for patient comfort

REPLACEMENT FOR STITCHES

In minor injuries, assisting in scarring prevention

Suitable for:

Post-operative wounds

Minor cuts and wounds
