It has a light fragrance and easily lathers and rinses off, leaving the skin feeling refreshed.

USAGE: For use in healthcare shower facility. Suitable for use in both male and female shower areas.

METHOD OF USE: Wet hair and body with clean running water and 1 or 2 doses direct onto hair and body. Rinse thoroughly and dry with clean towel.

SHELF LIFE: This product has a shelf life of 30 months from the date of manufacture.

Feature	Benefit
Mild blend of surfactants	Creates a luxurious lather for enriched cleaning; ideal for regular daily use.
Economical in use	Only a small amount is required to provide effective hair and body cleansing
Fully water soluble and free rinsing	Will rinse easily from the hair and skin to leave no soapy residues on the body or in shower areas
Conditions Skin	Contains a blend of emollients and conditioners which leaves the skin soft and smooth after use.
No Wastage	As no air presses back through the pumps the cartridges collapse during normal use to maximise evacuation of product
Hygienic cartridge	The cartridge and patented pump are ultrasonically sealed during the manufacturing process to protect the product. The pump is designed to prevent air ingress into the cartridge during normal use, thus minimising the risk of external contamination and maximising product evacuation with no unused product left.
